## Choosing the Correct Space

The largest public house in Brighton, the building boasts an impressive **capacity of 500 people**. With a number of rooms and bars available for hire, the King and Queen excels in hosting large, corporate events and festivals as well as the more private affairs. The sheer size and versatility of the pub allows space for the atmosphere and facilities to meet your needs.

## Function Room

Our main function room is found in the traditional banquet hall which can accommodate up to 100 people standing and 60 people for sit down meals and events. The room hosts its own private bar and successfully blends the old with the modern with pull-down projector screens set in lavish Tudor décor. These are most popularly used to air live sports, but are also adaptable to meet conference needs.

- **Room Hire: £130** \* ALL ROOM HIRE DEPOSITS ARE NON REFUNDABLE
- Includes room and 2 private members of bar staff to help your night run smoothly.

## Boardroom Facility

Our function room is often used as a corporate boardroom facility and we can supply this room with pen/paper/water/cordial as well as providing a projector and screen facility. Many of our customers have commented and preferred this option in a relaxed atmosphere of a traditional tudor themed public house. As opposed to a conventional office boardroom

## Sportsmans bar and Prinny's

The mezzanine Minstrel gallery level looks over the main bar on the lower floor and is accessed by a grand staircase. This space is perfect for those seeking an air of sophistication for your night with 2 pool tables, a football table and New for July 2009, its own cocktail bar, also serving spirits and bottled beverages.

## Royal Box

Suspended above the main bar, this area comfortably holds 15 people enabling you to engage in the thriving, pub atmosphere whilst maintaining your own private snug for the night.

Alternatively, with its great view of 2 big screens, it is very popular for the avid sports fan who doesn't want to miss a minute of the big match.
